## PROFILE SUMMARY

I am a Computer Science and Engineering graduate (2025) with a keen interest in backend development and full-stack web application development. I have gained hands-on experience with technologies such as Node.js, MongoDB, and PL/SQL through academic projects and a developer internship. My passion lies in building scalable, real-world software solutions and consistently expanding my technical skill set to evolve as a proficient developer.

## EDUCATION

2020 - 2021

HSC – HIGHER SECONDARY SCHOOL

- Government Higher Secondary School, Mambattu
- Year of Passing: 2021 | Percentage: 83.24
